

and the Winner is...

Dr. Mary Sue Stonisch is honored to be a participant in Smiles for America, a united group of 50 dentists from 50 states banding together to provide smiles for 50 deserving American heroes. They will work hand in hand with the best dental laboratories in the country to create new smiles for these deserving American heroes.

Nominations were accepted from July 4th until August 1st, 2021. After serious consideration to each nominee, Dr. Stonisch and her Faircourt Dental Smile Studio team decided on a winner.

John Warn will be one of the recipients of a brand new smile. He lost his smile in Desert Storm. John served in the United States Army for six years where his fear of dentists began. He also was a MP (military police) while in the army. He did not have the best of dental care while in the military and has horror stories of needles and drills that still haunt him today. "It is my honor to be able to serve a man that served us and our country by giving him his smile back," says Dr. Stonisch.

He is coming upon his 23rd year as a deputy for the Macomb County Sheriff's Department. In his spare time, he is a volunteer firefighter for the city of Richmond and a voted in member of City Council as well. In addition, he is also a board member on the Richmond Good Old Days Festival Committee..

He is currently in treatment at Faircourt Dental and his smile will be revealed the week of September 11th, 2021 to commemorate the 20th Anniversary of 911.
